## Locus of Control

Name: \_\_\_\_\_

Date: \_\_\_\_\_

### Instructions

Think about a specific situation, outcome, or pattern in your life. Complete both sections below to explore what you feel is driving it — from within you, and from around you.

### Internal Locus of Control

Please mention the factors related to yourself that contribute to your  
\_\_\_\_\_.

| Self-Related Factors or Aspects |
|---------------------------------|
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |
|                                 |

**External Locus of Control**

Please mention the factors related to others or your surrounding that contribute to your \_\_\_\_\_.

| Others-Related Factors or Aspects |
|-----------------------------------|
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
|                                   |
